

YOUR PASSPORT TO PARADISE

*Beautiful beaches, stunning scenery and an
intriguing past – Cambodia has it all*

Can't decide between a honeymoon of utter relaxation or cultural insight? Choose Cambodia and you can indulge in both. After arriving in the colourful colonial town of Siem Reap, stay at the stylish Hotel de la Paix, just five miles from Angkor Wat. This vast complex of crumbling, jungle-clad 12th century temples is best viewed at sunrise from the basket of a hot air balloon for the ultimate in honeymoon romance.

Then, after a few days of exploration, head to Cambodia's first private island resort, Song Saa, for some serious R&R. Opening this winter during the dry season, this off-the-beaten-track sanctuary is home to just 27 luxurious villas, all built with sustainable materials. Here you can sail, dive or kayak; bliss out by the infinity pool; or feel wedding stress melt away in the resort's spa suspended in the rainforest.
